TO: Minerals File

FROM: Tom Munson, Reclamation Hydrologist 

RE: Site Inspection, Michael Provostgaard, Lost Sheep Mine, S/023/029, Juab County, Utah

Date of Inspection: May 9, 1997
Time of Inspection: 8:00 a.m. - 8:30 a.m.
Participants: Tom Munson, DOGM

Purpose of Inspection: To examine the site while in the area

No one was at the site when I arrived. I viewed the operation from a distance and took photos. I will need to follow up on what is considered some new disturbance. Next time I am in the area, I will inspect and get with the operator to see what their future plans are.
